President's Message – Bill Radbourne

It was that time of year and our election for the Executive of the Massey Victory Heights Residents' Association saw an addition to our directors for the 2010-2011 term.

Meet Lorraine Geddes:

Lorraine was born in North Vancouver and grew up in the Deep Cove area. She has been married to Nelson for 48 years and they have lived on Garfield Street for nearly 44 years. Lorraine and Nelson have two daughters, Arlene and Brenda, and six grandchildren, who live in Calgary and Washington State respectively. Lorraine was an active PTA member and did some volunteer work for Sir Richard McBride School. Retired (audit officer) from the Royal Bank main branch in New Westminster after 20 years of full and part time work, she and Nelson are now enjoying their love of travelling.

City Committees have been formed at City Hall and Nelson Geddes is on the Neighbourhood Traffic Committee, Bob Jones on Community Policing, Shirley Tonks is on Seniors Advisory and Lynn Radbourne the Arts Commission. Thank you to Bob Gowan and Susan Wandell who finished their "tenure" on both Traffic and Policing Committees. As our Directors are put on City Committees, our Association is getting to be known at City Hall.

Thank you as well for all their help over the years, to Nancy Wark and Judy and Bob Gowan, who have moved from our district and no longer serve on the Executive.
